

# ESSER III Funding Stakeholder Survey

Montague ISD would like your thoughts on programs, resources, and systems you see as a need for our district. We encourage you to provide your input as we plan to use the ESSER III funds to improve learning and facilities at Montague ISD.

Below are some samples of how these funds can be used.

- \* Professional Development - reading academies, dyslexia training, technology integration training
- \* Extended Instructional Time - summer learning, extended day/ year
- \* Staffing - tutors, after school programs
- \* Facilities - ventilation, cleaning, HVAC systems, etc.
- \* Technology - devices, infrastructure upgrades, digital tools, etc.
- \* Mental Health and Behavioral Supports

Please choose which stakeholder group best represents you. \*

- Teacher
- School Administrator
- Student
- Parent/ Family
- Civil Rights Organization (including disability rights organizations)
- Community Member
- School Board Member
- Other...

Please check all the areas below that you would like to see as a priority. \*

- Professional Development
- Increased Staffing
- Mental Health Services and Supports
- Summer Learning
- Supplemental After-School Programs
- Qualifying facility repairs, improvements, or projects
- Supplies to sanitize and clean facilities
- Supplies or projects to improve the indoor air quality
- Strategies and activities to address learning loss
- Other...
